Dissertation and Masters Thesis:

- Hamilton, M.C. (1985). Linguistic relativity and sex bias in language: Effects of masculine "generics" on the imagery of the writer and the perceptual discrimination of the reader. (Nancy Henley, dissertation Chair.)
- Hamilton, M.C. (1981). Goal-based person perception. (Shelley Taylor, Chair.)

Courses I Have Taught/Am Qualified to Teach:

Applied Psychology
Introduction to Gender Studies

Introductory Psychology (with labs)
Law and Human Behavior
Psychology of Language
Psychology of Women
Psychometrics
Research Methods
Experimental Methods
Special Topics (e.g., Language, Nonverbal Communication, and Gender)
Social Cognition
Social Psychology
Statistics

Member:

American Society of Trial Consultants
American Psychology-Law Society
Association for Psychological Science
Kentucky Academy of Science

Other:

Research Director, American Society of Trial Consultants Foundation

Special Skills:

Spanish language—oral and written
French—I can limp along in speaking and understand it well
Italian—I understand it, could pick it up again quickly
Ballroom dancing instructor
